PAGEANT TO CELEBRATE 50TH COMMENCEMENT OF WASHINGTON HIGH SCHOOL NEXT THURSDAY EVE

CENTERVILLE — A spectacular outdoor pageant will mark the 50th. commencement exercises of Washington Union High school next Thursday evening, June 12, beginning at 8 o'clock on the lighted ball field here.

More than 400 students will assist with the cavalcade which will depict the evolution of educational institutions in the Township, together with progress in transportation from the old horse and buggy to the streamlined school bus. Miss Sheila Leachman is general chairman.

The largest graduating class in the history of the school will receive their 140 diplomas next Thursday night and Principal A. J. Rathbone invites the public to attend and enjoy the colorful exercises. Elaborate lighting effects and sound equipment are being provided.

The continuity of the pageant begins with the first mission school for the Indians at Mission San Jose de Guadalupe and carries through the first public school erected in Centerville by John Horner in 1850, the establishment of Washington College in 1871, the legalization of the first union high school district in 1891 and the organization of the Washington Union High school (largely through the efforts of the late Mrs. J. E. Thane) in the Masonic Hall at Centerville in 1892, the building of the first "high school house" in 1893 and the construction of the present modern plant in 1924.

With a two-teacher school and 22 students in 1892, the high school has grown to 718 enrolled and a faculty of 32.

FIRST 10 CLASSES OF WASHINGTON HI TO BE HONORED

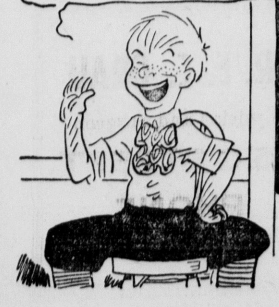

CENTERVILLE — If any member of the first ten classes to graduate from Washington Union High school, those who graduated during the years 1892 to 1901 inclusive, will bring themselves to the high school cafeteria next Thursday night at 7 o'clock they will be honored with a testimonial dinner in recognition of the school's 50th. class for whom commencement exercises will be held the same evening at 8 o'clock.

Members of the pioneer classes have special seats reserved for them during the exercises. By reason of the passage of time the present addresses of all surviving members of the early-day classes are not known to the high school authorities who issue this special appeal through the columns of this newspaper.

Tom Bunting, who is working in the Douglas Aircraft Corporation in Los Angeles, visited his parents over the holiday.

PLAN FOR LOCAL CREDIT BUREAU GAINS MOMENTUM

LARGER MEETING CALLED FOR NEXT MONDAY NIGHT AT HIGH SCHOOL CAFETERIA

CENTERVILLE—Dr. T. C. Wilson, president of the Niles Chamber of Commerce on Tuesday evening called to order some 20 business people from Centerville, Niles, Irvington and Newark in the high school cafeteria.

He laid before them a proposal to form a Township Credit association, suggesting a small fee for charter membership with which to form a fund to pay a part-time stenographer, telephone, postage stamps, printing, etc.

Louis Spencer, manager of an Oakland Collection agency, who came to the meeting voluntarily, encouraged the group to go ahead and said similar organizations were operating successfully in such small communities as Jackson in the Mother Lode Country.

Dr. Ben S. Burao, local veterinarian, offered the use of his office as a temporary headquarters.

Each man and woman present was delegated to stir up more interest in his community, and to see that a larger representation of retail businessmen and professional men should come out next Monday at 8 o'clock in the high school cafeteria. At this time a permanent chairman and directors will be elected and organization plans will be definitely made.

Dr. Wilson was asked to serve at the next meeting as temporary chairman until a permanent organization can be launched.

Present at Tuesday's meeting were the following, from Centerville: Allen Walton, Tony Enos, Ed Vierra, Mrs. Burdo and Paul Hoskinson; from Irvington, Vernon Leal, Chris and John Jorgensen; from Newark, Rinaldo and Paul Cozzi; from Niles, Dr. Wilson, Clarence Crane, George Bonde, Arnold Bellini, Clark Griffin, Joe Avilla and Walter Waynelette.

NILES GIRL FLYER GROUNDED THROUGH LOSS OF PAPERS

Has anybody found a girl student pilot's pocket book, containing flying credentials and other papers, lost on San Pablo avenue in Oakland two weeks ago?

If so, Miss Margaret Ashton of Niles, grounded student at Mills College Civilian Pilot Training school would be grateful to have it returned so she can finish the 20 hours of flying time remaining between her present student status and her greatly desired private pilot's license.

A student at San Jose State College, she is the first Washington Township girl to study for a license. She is one of the nine girls at the flying school, and their class represents the last class for women to be licensed by the Civil Aeronautics Authority.

Miss Ashton will graduate from San Jose State this month with teacher's credentials and hopes to combine flying with teaching. She has done her solo flight and still has cross-country and dual solo to do before receiving her coveted pilot's license.

COT GROWERS TOLD PRICES THIS YEAR SHOULD BE HIGH

(Special to the Register)

MARTINEZ — Because of severely reduced crops due to the long, wet winter Central California apricot growers were cheered by the news that such 'cots as mature may bring as high as \$60 or \$65 this year, according to optimistic market reports received by local agricultural authorities.

Trees which have become useless because of "wet feet" can be replaced by 'cots grafted onto wild plum roots, the latter proving highly impervious to water damage.

HOLLY SUGAR CO. ISSUES STATEMENT

SAN FRANCISCO — Holly Sugar company reports for the fiscal year ended March 31, 1941, net profit of \$1,660,659 after all prior charges, equal to \$3.02 a common share, after provisions for preferred dividends. This compares with a net profit of \$1,407,645, or 2.50 a common share in the preceding fiscal year.

SONS SQUADRON PLAYS BASEBALL EVERY SUNDAY

BOYS DEFEAT ALL COMERS WITH HEADS-UP BRAND OF BALL: PLAY AT CENTERVILLE

The Sons Squadron, Washington Post, American Legion are playing first-rate baseball every Sunday afternoon from 3 to 5 o'clock on the Washington High school diamond. Manager Manuel Brazil announced at last Wednesday night's meeting of the Legion Post in Niles.

The boys are featuring double plays in their games and thus far have taken the measure of all comers. They played heads-up baseball in Monterey a week ago Sunday and sport fans will be well rewarded by attending these afternoon games at Centerville.

During the recent Post meeting Frank K. Berdan, a shipping clerk with the Occidental Stove company at Alvarado was welcomed into membership.

Members were reminded of the disaster relief school which was held from Tuesday through Thursday of this week in Oakland. The comrades were told the state commander would issue a mobilization call via radio some evening this week. Men were urged to report at the Veterans Building in Niles within the hour.

It was voted that the Post colors, firing squad and members in uniforms, or caps and ties would join the Pleasanton Post in the County Fair parade on Sunday, July 6 at Livermore.

It was also voted that the membership in uniform should act as ushers during the outdoor graduation exercises at Washington High school next Wednesday evening. The men will meet at the high school about 7:15 o'clock.

Last Friday, Memorial Day, the firing squad and Sons Squadron drum corps met at the Memorial building in Niles at 9 o'clock and proceeded to decorate veterans' graves and fire a volley in the four cemeteries in Washington Township. The men and boys returned to the Memorial hall after these ceremonies were completed, and enjoyed buffet refreshments.

Comrade George Smith of Decoto was appointed chairman of a program committee for the second meeting in June, when the Post entertains its Women's Auxiliary. Last Wednesday night's meeting closed with the serving of hot tamales, sandwiches and coffee in the kitchen with Comrade Marston Dassel in charge.

VOTE FRIDAY FOR TRUSTEES AT ALL SCHOOLS

Registered voters of Washington Township will have an opportunity to vote for two trustees for Washington Union High school this Friday afternoon from 1 to 5 o'clock.

Since H. L. Scott, Niles incumbent, declined to run for a third term, John D. Galvin of Niles and Mr. Francis of Centerville have filed their candidacy to succeed him for a three year term.

H. F. Harrold of Decoto, whose term also expires, has announced his candidacy to succeed himself.

Voting places will be found in each elementary school house comprising the Washington Union High school district. The contest will be between Mr. Galvin and Mr. Francis for the post left vacant by Mr. Scott's resignation.

While voting for two high school trustees district voters will also

PUBLIC URGED TO SEE THRILLING PICTURES OF ENGLAND AT WAR NEXT TUESDAY EVE AT CENTERVILLE

Residents of Southern Alameda County will have the rare opportunity of seeing dramatic and blood chilling talking pictures of England at war next Tuesday evening, June 10, beginning at 8 o'clock in the auditorium of Washington High school at Centerville.

The hour and three quarter showing of fresh pictures of England at War in the air, on land, on the sea and under the sea is being brought to Washington Township, for its only showing in Southern Alameda County, by the Niles Chamber of Commerce, through the courtesy of the British Consul in San Francisco.

Although a minimum charge of 25c admission has been set, it is hoped patrons will be as generous as their hearts and pocketbooks permit, for every nickel of proceeds will be sent to the Central California unit of the British War Relief association for use overseas.

A group of prominent Central Californians banded together last winter and conceived the idea of providing a mobile field hospital, equipped with operating and blood transfusion facilities, to be used in Oxford, England after air raids.

—"Accident Unit"

This "accident unit", as it has been appropriately dubbed, is dedicated to the memory of the late Charles Mills Gayley, celebrated California educator, who was once a student at Oxford. The unit costs \$14,000 and the sum has been almost fully raised, according to word sent this newspaper by the honorary secretary of the project, Miss Julie H. Heyneman of San Francisco.

An effort is being made to have Miss Heyneman make an oral presentation of the undertaking during the intermission in the middle of the program next Tuesday evening.

—Varied Subjects

Varied aspects of England's war effort will be shown at the high school, under the following titles: Into the Blue, showing the training and flights of the R.A.F.;

They Also Serve, revealing the life of an ordinary housewife in wartime; Trawlers at Work, the fishing vessels with dragnets, which do mine-sweeping in storm and danger. The only sounds heard are the wild sea and the laconic conversation of the Scotchmen aboard; Coastal Defense, detailing the mobilization of all people living in coastal areas, plus scenes of air raids on ships at sea;

The Big City, showing London with transportation as the main subject; Food Convoy, as viewed from the deck of a destroyer; Neighbors Under Fire, or after an air raid, with the wonderful morale and help shown by everyone; and Britain on Guard, telling her plans against invasion, with a commentary by J. F. Priestley.

Thanks are extended in advance to Principal A. J. Rathbone and the high school authorities for the use of their auditorium, their operator, and the projection machine.

No tickets have been printed, and admission-contributions may be made at the door of the auditorium. The following men comprise a special committee from the Niles Chamber of Commerce who will serve at the doors: Walter Waynelette, chairman, Dr. T. C. Wilson, Leonard Osmond and Dick Attinger.

CIVIL SERVICE JOBS

(Special to the Register)

OAKLAND — The Alameda County civil service commission will receive applications up to June 9 at 5 p.m. for the position of deputy sealer of weights and measures at a salary of \$175 per month and for a bookbinder at an entrance salary of \$125 per month. Full details may be obtained at room 205, courthouse in Oakland.

ballot for trustees running for the boards of their own elementary schools. Each polling place serves both purposes.

PIONEER RESIDENT OF NILES DIES SATURDAY NIGHT

Funeral services were held Tuesday afternoon at an Oakland funeral parlor for the late Robert William Tyson of Niles, who was Alameda County adult probation officer. He passed away suddenly Saturday night after a week's illness, in the Merritt hospital. He had been suffering from a chronic ailment for some time, but his condition was not considered critical.

Born in Niles on January 1, 1881 he was the son of the late William Henry Tyson, said to have been the first white child born here, and Jennie Bonner Tyson, also a member of a pioneer family.

Survivors include his widow, Edna; a brother Harry, a member of the Niles Grammar school board of trustees, a niece, Harriett Tyson Kaiser and a nephew, William Tyson, all of Niles. He was a charter member of the Niles Parlor of Native Sons and a director of the Gustine Gun club.

The sympathy of the community is extended to the survivors.

Graduation exercises at Niles Grammar school will be held Friday evening, June 13 at 8 o'clock, Principal E. D. Bristow announces.

U.S.O. DESIGNATES JUNE 6, 7 AND 8 SPECIAL SABBATH

SAN FRANCISCO — Churchgoers in California, Nevada Oregon Washington and Idaho will join in a nationwide religious festival on June 6, 7 and 8, in support of the United Service Organizations program of spiritual and recreational welfare for America's defenders. The occasion is to be known as USO Sabbath, it was announced at Eighth Region headquarters here today.

Walter Hoving, USO president, declared the observance will emphasize the basically religious character of USO member agencies and will stress the inter-faith aspect of the organization in which Catholic, Protestant and Jewish leaders are working closely and harmoniously. Participation by soldiers and sailors will be featured, following out the broad plan of morale building among the armed forces.

USO was incorporated by the Salvation Army, Y. M. C. A., National Catholic Community Service, Y. W. C. A. National Jewish Welfare Board and the National Travelers Aid Association.

The government has appropriated \$15,000,000 to build 360 club-houses adjacent to camps. The USO will raise \$10,765,000 by public subscription to staff and operate the clubs for the first year for the spiritual guidance and leisure time activity of America's soldiers and sailors.

\$14.80 FOR YOUR DOLLAR IN ECUADOR

(Special to The Register)

QUITO—The "sucre", Ecuadorian dollar with one hundred centavos, is now exchanging at \$14.80 for each United States dollar. North American tourists are delighted to find, on entering Ecuador, that their traveler's checks exchange on this highly favorable basis.

The little Switzerland of South America, with its snow-capped Andean mountain peaks, miles of sandy sea-shore beaches and unexplored jungles, offers North American tourists a mecca of pleasure and adventure at two to five HUNDRED per cent less in traveling and living costs than they are accustomed to spending. American Express Traveler's Checks are acceptable throughout Ecuador.

SAN FRANCISCAN HEADS CHRISTIAN SCIENCE CHURCH

BOSTON, Mass., June 2 — Some 6,000 Christian Scientists from many parts of the world gathered in annual meeting today in Boston were called upon by The Christian Science Board of Directors to consecrate themselves to the defense of the democratic system of government as the best human instrument for preserving the basic rights of mankind to "life, liberty and the pursuit of happiness."

—Directors' Report

The occasion for the stirring message of the Directors was the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The Directors stated: "We are moved not by a desire to voice our own views, but to let the world know that we share with our Leader, Mary Baker Eddy, her confidence in the immortality of the sentiment expressed in the Declaration of Independence that 'man is endowed with certain inalienable rights, among which are life, liberty and the pursuit of happiness.'"

—Incoming President

The Directors announced the election of John Randall Dunn of Boston and Centerville, Mass., as President of The Mother Church for the ensuing year. The chief duty of the President is to preside at the Annual Meeting.

The new President is the son of James Randall Dunn, long identified with the United States Immigration Service. He is a native of Massillon, Ohio, receiving his schooling there and in San Francisco and from private tutors. For a few years he was in the service of the government, but gave up his work for the healing ministry of Christian Science.

The Incoming President accentuated the theme of spiritual progress with the reassuring statement that "the present mighty world upheaval does not portend the breaking up of Christian civilization or the plunging of humanity into chaotic darkness."

He viewed the present conflict in the light of a world housecleaning, during which individual and national sin, tyranny, greed, self-will, and lust for power are being brought to the surface of world thinking, ripe for destruction. And these ills, rather than world civilization, are the things that will be destroyed.

BILL PROPOSES INCREASE OF STATE BLIND AID

SACRAMENTO — Alameda County would effect an annual savings of more than \$400,000 yearly under a proposed measure introduced in the California Senate by Senators Irwin T. Quinn and Herbert W. Slater, according to Assemblyman Henry P. Meehan of Alameda County in a statement issued here today.

The Quinn-Slater bill, Senate Bill 1335, would increase the state's share of the aged aid assistance from a 50-50 to a 70-30 basis and another measure, Senate Bill 1336, sponsored by Senator John F. Shelley of San Francisco would effect additional savings to the county by assuming up to 25 per cent of the cost of administering all categorical aid.

California, with a population of 44.1 per square mile, ranks 27th among the states in density of population.

NEWARK CHURCHES

A group of young people from the Newark Presbyterian Church visited Camp Kemp in Marin County Saturday under the leadership of Miss Anna Mae Fyffe and Mrs. J. L. Webster, Ruth Cotton, Marjorie Callow, Alberta Hilton, Thelma Jean Logan and Mary L. Webster made up the group. Camp Kemp is situated near Muir Woods and is the conference grounds for Presbyterian Churches of the bay region.

A week's camp for Junior age children will be held there beginning July 7 and another for Intermediates the week following. Several children from Newark, Centerville, and Alvarado are planning to attend the camps.

Mr. Henry B. Adams, assistant Presbyterian pastor of Washington Township, returned Thursday from his vacation. Mr. and Mrs. Adams have been visiting relatives and friends in Wisconsin since the close of the Theological Seminary at San Anselmo the first week of May. Mr. Adams will preach at Centerville Sunday morning and at Newark in the evening.

Christian Science Churches

"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will be the subject of the Lesson-Sermon Sunday, June 1, in all Churches of Christ, Scientist, branches of The Mother Church, in Boston, Mass.

The Golden Text will be: "There is no wisdom nor understanding nor counsel against the Lord" (Proverbs 21: 30). Other Bible citations will include: "Rest in the Lord, and wait patiently for him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass. . . For evildoers shall be cut off: but those that wait upon the Lord, they shall inherit the earth" (Ps. 37: 7, 9).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As named in Christian Science, animal magnetism or hypnotism is the specific term for error, or mortal mind. It is the false belief that mind is in matter, and is both evil and good; that evil is as real as good and more powerful. This belief has not one quality of Truth" (p. 103).

Many former residents of the Riviera are settling in the counties between San Francisco and Los Angeles, where they find the climate similar to their former home.

WASHINGTON TOWNSHIP HOME OWNERS!

Your water ranges from 12 to 60 grains in hardness and hard water costs money —

TEN REASONS for owning a Water Softening Appliance:

All laundry work is done quicker and better. Laces, baby clothes and silks safely and perfectly washed.

The clothes come out cleaner, softer, whiter and smell sweeter—no unrinsed, soapy odor. They will iron easier and last longer.

In most homes 90 per cent of the soap can be saved and no caustic lye, chemicals, washing or scouring compounds are needed.

No scale deposits will form in the pipe lines, hot water coils or heating system. There will be fewer leaky faucets, fewer repairs, less gas bills.

Bath tubs, sinks, enamelware and polished metal fixtures will be easy to keep clean and new looking without using scratchy scouring powders.

The task of washing dishes will not be unpleasant and can be done better in half the time. China and

glassware will be sparkling without wiping.

Bathing, shampooing and shaving is made delightful. It will be easy to keep the hair and hands beautiful without that sticky feeling.

Foods, especially vegetables can be prepared with little trouble. They will cook tender and more quickly and retain their natural flavor, also save 1/3 on coffee used.

Household expenses will be reduced and the comfort, health and happiness of the entire family improved.

Without any expense or obligation to you I will call and have an analysis made of your water supply, and if you are interested I can advise you on what water-conditioning equipment is needed.

For your information, prices range from \$17.50 for a portable unit of 50 gallon capacity on up for larger, permanent installations.

MISS EVELYN MARTIN
IS BRIDE OF
AUGUSTINE ABREW

NEWARK — Miss Evelyn Martin, 20 years old daughter of Mr. and Mrs. Manuel Martin of Newark and Mr. Augustine Abrew, 26 years old, son of Mr. and Mrs. Abrew of Decoto were united in a wedding ceremony, Sunday afternoon at St. Anne's Catholic Church in Alvarado with Father McLaughlin officiating.

The attendants at the wedding were Manuel Martin of Newark, best man, and Marie Silva of Hayward, maid of honor. The bridesmaids were Virginia Meneze and Dorothy Martin. The flower girl was Maxine Silva. The ushers were Manuel Abrew and Manuel Santos.

The bride wore a white organdie dress and carried a bouquet of orchids, and the maid of honor wore a pink organdie dress. The bridegroom and the best man wore tuxedos.

The bride is a graduate of the Newark Grammar school and Washington Union High school. The bridegroom is a graduate of the Decoto Grammar school, and is employed at Decoto. The couple is spending a week at Oregon, and will reside in Decoto.

Mr. and Mrs. Manuel Martin moved two weeks ago to Mt. Eden, after residing in Newark for many years. Following the wedding ceremony a dinner was held in the afternoon at the I. D. E. S. hall in Alvarado, and a reception in the evening at the I. D. E. S. hall in Alvarado.

N. Y. A. TRAINS
BOYS AND GIRLS
IN DEFENSE WORK

LOS ANGELES — The California National Youth Administration in April turned 566 trained apprentice youth workers over to defense industries, Robert Wayne Burns, State Administrator, announced today.

Burns revealed that of the 566 approximately one-fifth, or 103 of the newly-employed youth, are girls. All have completed courses of training in work-experience on NYA projects under skilled instructors ranging from 6 weeks to 5 months in length, in such subjects as welding, tool and die-making, blueprint-reading, general machine-shop work, sewing, riveting and other industrial skills.

The greatest single group of the April-employed youth have secured jobs in the aircraft industry, according to Burns — 217 of them, representing all section of the State. A smaller group is now employed in shipbuilding work.

The number of California youths who have filled defense jobs since the first of the year as a result of NYA training now totals 5221, Burns said.

GENERAL CHAIRMAN OF
GRAND PARLOR NAMED

Miss Grace S. Steoner, Past President of the Native Daughters of the Golden West and a resident of Los Angeles, has accepted the general chairmanship of the 1941 Grand Parlor of that organization which will convene in the city of Los Angeles for a four day period beginning June 16.

Grand President Mrs. Hazel Bruschi Hansen, of Glendale, selected Miss Steoner for this important position because of her untiring efforts in civic development, her contributions to the state, and for many consecutive years of continued service to the Native Daughters of the Golden West.

YOU'RE WELCOME!

CITY OF PARIS DYEING & CLEANING CO.

This cleaning establishment, located at 419 N. 13th St., San Jose, telephone Columbia 347, features an expert service in dry cleaning, dyeing and pressing.

Since this well-known house has been in business it has enjoyed an ever-increasing patronage because of the reasonableness of charges, the excellence of work and their reliability. The dry cleaning system they use not only cleans clothes, but thoroughly renovates them in the most sanitary manner. It also turns them out in the most approved styles without the dis-

agreeable odor that accompanies the work of so many cleaning establishments. The most modern machinery in their plant makes it possible for them to handle the most delicate fabrics so that they look like new.

Dyeing is an art and science and requires the very highest type of scientific services as well as good color sight. Here you will find that the service in this line is of the very best and we are pleased to compliment the City of Paris Dyeing and Cleaning Company in this Review.

LEITCH PUMP & SUPPLY CO.

WELL-DRILLING & WELL-CASING

Any business concern, farmer, rancher or suburban home owner desiring or expecting to install pumping equipment or bore a well should consult this capable concern, located at 575 W. San Carlos, in San Jose, phone Ballard 1892, and learn why their products and services are preferred for permanence, durability and satisfaction.

In this community where all take pride in their lawns and gardens, best results can be obtained with an unlimited supply of water. Investigate the savings for water that can be pumped from

your own well for a very small per cent of the cost of buying water. Depreciation is negligible many of their pumps having been in operation for many years.

Besides being able to supply a complete service in deep well and domestic pressure systems, this concern carries repairs for house pumps, tanks, cylinders, rods, jacks and electric motors.

We highly recommend the Leitch Pump and Supply company to all our readers and suggest that you become acquainted with their service. Estimates cheerfully furnished.

SAN JOSE

Phone Ballard 132

In every community there are individuals who because of specialized service are an indispensable factor to the community. Foremost among these, especially in a rural section, is a good veterinarian who saves thousands of dollars annually for farmers.

Foremost among the professional men of this region is Dr. W. D. Gordon. He has fitted himself with years of study and experi-

ence. And whether it be a dog or a horse that needs attention you may call upon him day or night and be assured that he will be there as soon as it is humanly possible. He has a practice that includes the most prominent raisers of this section and we have come to look upon him as essential to the community. Dr. Gordon is to be complimented on his years of service to the livestock raisers of this section.

SAN JOSE ROOFING CO.

EL-REY ROOFS

The reliable work of this concern and its experienced helpers has met with approval everywhere and stands out as that of expert craftsmen. You know that your roof will endure when you have a contract with the San Jose Roofing company, located at 587 West Santa Clara, phone Columbia 4798, San Jose.

Their knowledge of the various roofing materials enables them to aid you in selecting the roof you need. They realize that the roof is

the most conspicuous part of a building and they supply a roof of beauty and individuality without sacrificing any of its protective qualities. Many home builders and contractors realize the distinctiveness of their roofing as well as their prompt and efficient service.

Four points should be considered when selecting a roof: first, the appearance, next, will it wear, will it be waterproof and what will it cost. Just get in touch with the San Jose Roofing company for samples and estimates.

T. A. PIEHN'S MACHINE SHOP

At this machine shop, located on 27 Grant street, San Jose, phone Ballard 1209, repairs are made or new parts furnished, machined and fitted for anything from a sewing machine to a tractor and as an added service, axle exchanges are made on Fords and Chevrolets.

The personnel of this shop represents experience and has a thorough understanding of foundry practice, the heat treating of steel, welding etc. Many parts of different machines, whether they are of agricultural machines, road working, pumping machines or automobiles can be replaced only in a properly equipped shop.

To enumerate a few phases in their expert lathe work: pulleys bored, bushed and turned, bearings babbitted and bored out, shafts turned and threaded, automobile brake drums turned and innumerable other jobs that can be done on no other machine than a lathe.

Their high grade workmanship together with their prompt and efficient service have won for this machine shop an ever-increasing patronage. You get maximum service at a minimum charge.

In making this Review we are more than glad to congratulate Mr. Piehn for his progressive business methods and recommend his shop to all our readers.

MRS. FAIR PROVES OBJECT LESSON, PLAY WILL SHOW

TOWNSHIP "CAREER" WOMEN URGED TO ATTEND — AND LAUGH AT THEMSELVES!

High-lighting the approaching comedy, The Famous Mrs. Fair, to be presented by the Washington Township Community Players on Friday evening, June 20 at Washington High school, will be the Players' "army" made up of five prominent Township women who take the part of a Red Cross ambulance unit, 1918 model. They are:

Mrs. C. N. Myrick, who will be remembered as the weeping widow of Leave It To Mother, shown here a year ago, when she played her part so well the audience did not whether to weep with her or choke her!

Mrs. Sadie Hodges, who for 15 years was a member of the old Country Club dramatic section, and who took many important parts in the plays they used to give so well;

Mrs. Laura Leask, who's work has been commended in Leave It To Mother and in Smilin' Through;

Mrs. Nora Rogers, the maid with the weird talk in Smilin' Through, and Mrs. Franklin Brown of Newark, brand new to the Players, but a member of the new Country Club dramatic section, who is excellent in drama.

Others in the cast are Weston Webb, who takes the young lover's part; Helen Ross, his sweetheart; Helen Webb, his sister; Harry Cesari, the deep-dyed villain; Yoshimi Kawaguchi, the maid, and the two leads, Frank Lombardi as Mr. Fair and Mrs. Roland Bendel as Mrs. Fair.

Mrs. Bendel takes the part of a wealthy society woman who goes to France in 1918, and earns a major's commission and Croix de Guerre — all of which turn her head, and cause her to neglect her family. The play is a startling example of what happens to women bent upon careers of prominence — and the local women in it are coming in for a lot of good-natured ribbing about their own club and lodge and other organization careers. It behooves every local professional and organization woman to come and see the play, and 'beware its lessons.'

Berkeley Buckingham, W. P. A. Drama Director from the Oakland area, is holding rehearsals four nights weekly, putting the cast through a real drubbing of work. But he feels it well worth the effort and that this will be the outstanding effort of the local group. The players have been attracting constantly enlarging audiences with each play, so a large attendance is anticipated. It is felt that their first year has definitely demonstrated that the Township wanted just such a group as this. Members wish to constantly impress upon the public that the Players are anxious to welcome anyone interested in dramatics. The whole movement is primarily recreational; but it has also been highly educational and certainly a lot of fun.

TOWNSHIP MEN HOLD POSITIONS AT COUNTY FAIR

LIVERMORE — Washington Township residents hold eight committee assignments and head two show divisions for the Alameda County Fair, to be presented at Pleasanton July 3-12, according to announcement today by Wray L. Bergstrom, fair manager.

George Roeding Jr., Niles, will be in charge of floriculture exhibits at the fair, while Charles Burr also of Niles, occupies a similar position in the horticulture department.

Roeding also holds two committee posts, on grounds and commercial exhibits. William Bond, Newark, is chairman of the livestock committee, and a member of the grounds committee. Three others hold dual committee assignments — Roy Seaver, Mt. Eden, livestock and afternoon programs; Jack Boyd, Newark, harness racing and industrial exhibits; C. G. Perkins, Centerville, grounds and hospitality.

For the first time Scouts in all the troops of the District will have an opportunity of a week's camping experience at a cost sufficiently low to be within the reach of all. This is made possible through the services of volunteer leaders who will lead this camp for the Washington Township District at Dimond-T in the high Sierra, the week of June 14 to 21.

The camp will be under the general supervision of W. T. Lindsay at all time. Judson Taylor of the W. U. H. S. faculty will be in charge of waterfront activities. These will be supplemented by leaders from various troops including L. W. Musick, Bob Whipple, Jack Prouty, Jack Rees, Barton Webb, Vernon Ellsworth and George Bonde Jr.

ROBBERS ESCAPE FROM NEWARK STORE FRIDAY EVENING

NEWARK — The Stop & Shop grocery store, operated by Paul Gygas, was robbed early Friday evening by parties unknown. The men entered a rear window and were able to take only candy and cigarettes, as they were frightened by people walking past the store at the time. A big bundle of a variety of groceries was all packed ready to go out the rear door, but was left behind. In the meantime, Mr. Gygas, who was contacted at his home by passers by who heard the peculiar noises, had entered the rear door when the thieves escaped through the front door.

Hayward Patrol Officers reported at the scene a few minutes later for investigation of clues, but were not able to trace the robbers, as they had disappeared in the dark down the side road.

NEW BOY SCOUT HANDBOOK IS NOW ON SALE

The Boy Scouts of America, through Dr. James E. West, Chief Scout Executive, has just announced that the Boy Scout Handbook, a best seller, is now appearing with a new cover, added colored section and many new illustrations. Its cover by Norman Rockwell, famous artist, shows a Cub, a Boy Scout and a Sea Scout, headed for adventure. The color insert contains Flag Code information, Scout Uniform and Insignia illustrations, including the designs of 106 Merit Badges and space for a Scout's record of personal progress. There are 400,000 copies in this printing which is the 33rd printing of the Revised Handbook.

In the same colored section the Scout Oath and Law are shown being engraved in stone by a Boy Scout, against a background of the famous Mount Rushmore Memorial in South Dakota featuring ington, Jefferson, Lincoln and Theodore Roosevelt. This scene was painted for the Boy Scouts of America by Remington Schuyler, prominent artist and Eagle Scout.

The "Handbook for Boys" is not only one of the books best known to American boys but also the most used volume of its kind. Since it was first published in 1910, 6,900,000 copies have been issued. In thirty-one years the volume has become a friend and helpful partner to the 9,600,000 Scouts and leaders who played or are playing the game of Scouting.

Used by Scouts and non-Scouts alike, the Handbook contains a wealth of material on first aid, nature study, camping, outdoor cooking, pioneering, health and safety.

DEFENSE WORK

The Pacific Coast with 9 per cent of the Nation's population is slated to do 20 per cent of the shipbuilding and 30 per cent of all aircraft production in the national defense program, according to D. U. Bathrick, general sales manager, Pontiac Motor Division of General Motors.

This store was robbed several years ago in the same manner, and the robbers were not caught then either, according to Mr. Gygas.

MONEY! MONEY!! MONEY!!!

Calls to the right of us, calls to the left of us
Volley and thunder . . .

The United Service Organization wants ten million dollars for soldier recreational purposes; the Centerville district has been assigned a quota of \$400; Uncle Sam asks us to buy defense bonds, with only a half of a billion bought in the thirty-one days of May, and he wants four and one-half billions sold and paid for;

We have our own civic organizations to support financially: the Red Cross, Boy Scouts, Girl Scouts; our memberships in clubs, social, civic and fraternal organizations . . .

And did you say anything about TAXES?

What are We, The People going to use for money pretty soon?

* * * *

All of which is a very left-handed way of inviting Southern Alameda County residents to be generous when they go to see the thrilling and horrendous hour and three-quarters of Britain-at-War pictures, to be shown next Tuesday evening at 8 o'clock in the Washington High school auditorium, sponsored by the Niles Chamber of Commerce.

Although a minimum admission price of 25c has been set, patrons are earnestly asked to proffer a larger sum. The pictures are being shown without cost to the sponsoring organization, through the courtesy of Principal A. J. Rathbone and the high school authorities, in order that every cent of the proceeds may be added to the Central California British War Relief fund.

At the present time a group of prominent persons in Central California is sponsoring a mobile "accident unit", a sort of field hospital on wheels, equipped with an operating room, blood transfusion facilities, etc., to be used in Oxford, England, at a cost of \$14,000.

According to late reports, the proceeds from the coming event at Centerville will just about round out this sum. The accident unit is dedicated to the memory of the late Charles Mills Gayley, former prominent educator at the University of California.

So make it a date next Tuesday night and be assured you will get your fill of thrills and chills. Mighty England at war in the air, on land, on the sea, under the sea — and if the diabolical powers could conceive of any other realm for men to fight in, Englishmen would be fighting there, too. This war like all wars, is nothing short of hell.

II & IV US!

Well! well!

On March 13 of this year the legislature of North Carolina passed a joint resolution calling upon Congress to authorize our President to call together a convention to set up a world government under ONE FLAG for the United States, Great Britain and all her subject nations, Eire and any other still-free nations which cared to participate in a free world constitution and bill of rights.

This forward-looking movement is being actively sponsored by one Charles Davis, civic leader of Cape Cod, Massachusetts . . . Perhaps it points the way to

Editorial Page of the Township Register

the new world order and that which is to come out of this prevailing debacle.

The title of this editorial is provided by Mr. Davis.

GRADUATION

The youngster, when he graduates from school, as thousands of California youngsters are doing just now, is stirred by the immensity of it all. He is out in the world, seeking the niche which will make him immortal. It is ever thus, and ever will be. And mere adults, who have failed to find their heart's desire, still know that it is there — somewhere between here and the rainbow — and hope, with all their being, that their children will find it.

Life, to be sure, is sadly realistic. The State Department of Employment, knowing that Graduation Day is here, broadcasts an appeal to the thousands of high school and college graduates to register and seek employment. "We are anxious to have all graduates register with one of our offices," says the State Department of Employment announcement, "in order that they may be referred to summer or permanent employment, or to training for defense industries."

When a boy, with down on his chin gets his first job, he has really graduated. When a girl jots down her first stenographic hieroglyphics in her notebook, she has really graduated. And a year or two from now, that boy and girl may be leading the pack in our business community. That's America's system of graduation!

HOT CARGO BILL LOSES.

Governor Olsen vetoed the "Hot Cargo and Secondary Boycott" bill several weeks ago, after it had passed both houses of the legislature by substantial majorities.

The senate then re-passed it over the governor's veto by a 33 to 5 vote, only to have the bill die when the assembly on Monday lacked but four votes of the necessary majority to pass it over the gubernatorial veto.

Which writes "finis" to the matter for this session of the legislature, all of which make the labor interests rejoice, while the ordinary citizen who can't get lumber for his house, and the small merchant who can't get lumber delivered to his yard so he can sell it to the ordinary citizen, will both say "damn", reach for their old hats, and go fishing.

"For want of a nail the shoe was lost, for want of a shoe the horse was lost, for want of a horse the battle was lost" runs the old jingle; . . . and for want of common hoss sense our civil liberties may soon be lost.

REDUCTION OF STATE TAXES

For the first time in many years the State finds itself in a position where taxes can be reduced, without impairing any essential function of government. True, a deficit exists, but there is every evidence that the deficit will be paid off and a surplus will begin to accumulate within the next eighteen months, because of increased revenues to the State from defense spending.

On the other hand, it must be remembered that the defense activity which makes possible reduction of state taxes, will also make necessary a heavy increase in Federal tax levies in this State.

Economy-minded assemblymen, fully aware of the all-too-human temptation to spend, where a surplus exists; and equally aware of the need to conserve the taxing resources of California to meet increased Federal tax levies in this State, have introduced a tax reduction bill — Assembly Bill 2620. It passed the Assembly by a vote of 53 to 26.

The bill has gone to the Senate. It cuts taxes in every category, and every taxpayer would benefit. It meets the objections of those who believe that the deficit should be liquidated before taxes are reduced, for the tax cuts are deferred until the deficit is paid off.

And finally, in the event that the State at a future date will require more revenue for the functions of government than the reduced taxation program will provide, the tax reductions are effective only for two years, at the end of which existing higher rates are automatically restored, unless extended by the 1943 Legislature.

The savings to the taxpayer for the portion of the next biennium during which the reduced rates will be in effect is computed at \$25,000,000; and for a full biennium, at \$56,000,000. These savings will help to pay the added burden of taxation which the Federal government must impose to defray defense costs.

The issue is now before the Senate, but the responsibility is upon the individual taxpayer to make sure that his views favoring tax reduction are known to his Senator.

A CALL TO CHRISTIANS

HAWAIIAN GARDENS

This beautiful spot located on 795 Almaden Road, San Jose, overlooking exotic gardens with its crystal fountain, rare flowers and the world's largest group of trained frogs is under the management of S. Baron Long, a scintillating personality who deserves high praise for making the Hawaiian Gardens the countryside's headquarters when seeking a few moments of relaxation.

Here you will find the choicest foods and liquors at most popular prices — lunches served to ladies followed by a game of bridge daily if you feel so inclined. Your favor-

ite drink can be concocted to the king's taste whether it be Martini, Manhattan or pousse-cafe. If your feet feel frivolous, abandon the bar for a few moments and sway to the sweet strains of their never-tiring and all inspiring orchestra in whatever dance step you wish from a waltz to a Conga.

In this Industrial Review of San Jose, we are more than pleased to complement the Hawaiian Gardens on the place it has taken in the social life of this period and its success in dispersing gloom in this helter-skelter world of ours.

PERSONALLY SPEAKING

By: Your Editor.

LESSON — The President has asked congress for the power for the government to take over and operate strike-bound defense plants.

Granted such a power, and exercising them a time or two, the unions would soon learn they cannot be permitted to indefinitely hold up national defense work.

Already two million men hours have been lost from defense work because of strikes: enough time lost in which to have built eight submarines or destroyers.

The unions themselves thus are driving the government to act in

the interest of the public welfare.

—ww—

EXIT — On May 31 there were 81 strikes under way, of which Secretary Perkins had only certified three to the National Mediation Board. So a senator has asked the President to remove Miss Perkins and put a man in her place.

And why not? Miss Perkins is about the longest-lasting of all the New Deal favorites and it's high time she took a bow and vacated in favor of somebody who knew their business. A cabinet post is no place for a mild-mannered woman, particularly in war time.

Mr. and Mrs. Jake Springer and son LeRoy, Mr. and Mrs. Joe Dias and son Donald of the army, and Miss Louisa Costa spent Sunday in San Francisco visiting Mr. and Mrs. Joseph Scalfire.

COUNTY FAIR
TO USE PHOTO
FINISH CAMERA

PLEASANTON — The "Eye In the Sky" photo-finish camera will record all race finishes at the Alameda County Fair, to be held at Pleasanton from July 3 to 12 inclusive. It will be the first time the photo-finish camera has ever been used at any county fair — or even at the Sacramento State Fair — in California.

Sam J. Whiting, president of Alameda county's big fair furnishes several interesting reasons why the camera will be adopted at Pleasanton this year.

"There were 318 'dead heat' finishes in races on American race tracks during 1940" says Whiting. "There were eight dead heats during the recent Bay Meadows meeting."

"Use of the photo-finish camera on major tracks has proven conclusively that the human eye is frequently wrong in deciding a close race. We believe race fans will welcome the use of the camera and also of the electric totalisator board — both of which will be innovations at this year's Pleasanton county fair."

LISTEN IN ON
CALIFORNIA'S
WEEKLY BROADCASTS

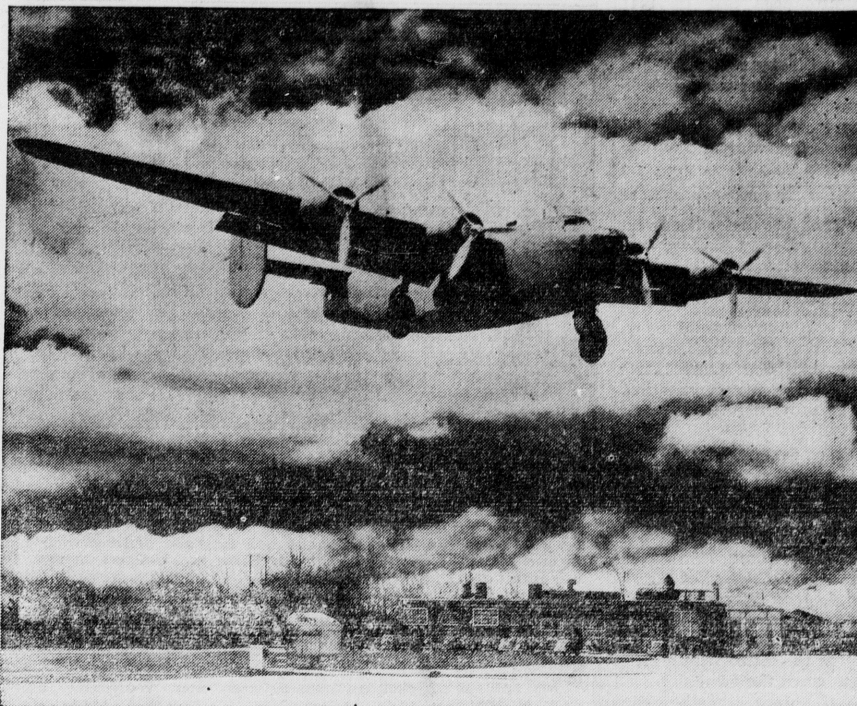

Communities in Northern and Central California and their industries are being featured in a series of broadcasts from San Francisco Monday evenings from 9:15 to 9:45 o'clock over Station KSFO.

Entitled "California Caravan" the programs pay tribute to such industries as redwood lumber, the canning industry at Sacramento, lettuce production at Salinas, steel at Pittsburg, mining at Grass Valley, the Shasta Dam emphasizing Red Bluff and Redding, Friant Dam and the raisin industry at Fresno.

Similar to the program which was broadcast by the studio as a sustaining feature last year under the title "Our California," this program is sponsored by the San Francisco Junior Chamber of Commerce. Technicians will visit the locales to be featured and record the broadcasts for airing from San Francisco. This is another evidence of San Francisco's interest in her neighboring region. The program should prove interesting and educational to city and rural listeners alike.

The biggest of the Santa Cruz Big Trees were seedlings at the time the Star of the East shone over Bethlehem.

28 TONS OF AERIAL MIGHT

Here one of the big B-24 four-engine bombers of the type the Ford Motor Company will build for the Army is shown coming in for a landing at the Ford Airport in Dearborn. The B-24 weighs 56,000 pounds loaded, can carry 4 tons of bombs and has a 110-foot wing spread. Its four 1,200-h.p. Pratt & Whitney engines propel the plane at better than 300 miles per hour and it has a cruising range in excess of 3,000 miles.

The FARMERS
CORNER

by RALPH H. TAYLOR
Executive Secretary
Agricultural Council
of California

The 1941 State Legislature is rushing pell-mell toward adjournment, working day and night in an eleventh-hour drive to reach decisions on major issues and dispose of the hundreds of miscellaneous bills still pending.

While some of the hottest battles of the session are over, there are still critical days ahead — for it is during the final weeks, when bills are jammed through with only superficial consideration, that dangerous legislation is most likely to get through unnoticed.

Legislators from farming districts, and conservative members generally, who have fought throughout the session to keep the bars up against extravagant spending and visionary experimentation, must now redouble their vigilance to spike crack-pot proposals and check the flood of "pork barrel" special appropriation bills.

The danger from special appropriation measures, during the closing weeks of this session, is greater than usual, due to the fact that State revenues are booming, under the impetus of defense spending.

Of particular significance, under the circumstances, is the recent appeal of Harold D. Smith, Federal budget director, that all local expenditures be held to a minimum.

Budget Director Smith has frankly declared that the national defense program is going to require every last dollar the taxpayers can spare — and more! And to avoid encroachment on Federal tax sources, he has appealed to State and local officials throughout the country to postpone any enterprises which are not imperative, so that the nation's resources will be available to carry on the preparedness program.

Despite that warning, however, terrific pressure will undoubtedly be brought to bear on the Legislature between now and adjournment to approve millions of dollars worth of special appropriation bills — some of which will likely be adorned with national defense trappings to lessen resistance. As a matter of fact, some of the dog-eared proposals now being put forward as "defense measures" were kicking around the Legislature when Hitler was still a corporal.

Bona fide national defense measures, however — such as the anti-sabotage act, repeal of the secondary boycott and numerous proposals to clamp down on Communists and Bundists — have occupied much of the time of the lawmakers.

Organized labor already has bitterly condemned the 1941 Legislature as "anti-labor". Nothing could be further from the truth. As a matter of fact, there have been many times when farm groups and other branches of the community, outraged by labor excesses, have asked for far more drastic action than the Legislature has taken.

Members of the Legislature, for the most part, recognized the imperative need of legislation which would permit agriculture, business and industry to meet the national government's demands for high-speed, uninterrupted production. And faced with that need, they took action, in several instances, designed to forestall unwarranted work-stoppages. The fate of some of this legislation, however, is still in doubt, due to labor opposition.

To this writer, one of the gloomiest aspects of the 1941 session — at least as it bears on the nation's welfare — has been the stubborn refusal of labor leaders to recognize that an emergency exists and that labor has responsibilities as well as privileges. Thus far, labor's attitude — as displayed at Sacramento — is that the national defense program is just another WPA project and that everybody is entitled to fight to get his share of the loot. Certainly, there has been no disposition to recognize that if farmers and school teachers, and grocers and housewives, must make sacrifices, labor, too, must make sacrifices.

Under the circumstances, members of the Legislature who have stood up, against tremendous labor pressure, for measures to prevent sabotaging of the State's productive machinery, are to be congratulated both on their courage and their wisdom. Likewise, members who have held the fort against extravagance and reckless expenditures, deserve a hand from their home districts. It is to be hoped that they stay by their guns until the final gavel falls!

PARADE TO
OPEN RODEO
AT LIVERMORE

LIVERMORE — Champion cowboys and the toughest broncs and bulls in the country will be in Livermore next Saturday and Sunday, June 8 and 9, for the annual Livermore Rodeo.

Four parades will add color to the event. Festivities will open at 10 a.m. Saturday with a pioneer parade in which Stockton, Hayward, Alameda, Oakland, Berkeley Pleasanton, Lodi and San Francisco will take part. Cowboy parade will precede both performances, and a Horribles parade will be held Saturday night.

Wild cow milking, steer wrestling, and two classes for Palominos are new contests in the 29-event show this year. Races, championship bronc riding, Brahma bull riding and roping are other highlights of the show.

Champions and former champions who will compete for new Rodeo Association of America ratings include Burel Mulkey of Salmon, Idaho, John Bowman of Oakdale, Johnie Schneider of Livermore and Clay Carr of Visalia, all former world's champion all around cowboys; Fritz Truan of Lancaster, current champion; Jack Kerscher of Blackfoot, Idaho, 1936 steer wrestling champion; Pete Grubb of Florence, Arizona, 1938 bareback bronc riding champion; Frank Schneider of Isabella, 1935 bareback bronc riding champion and several times bull riding champion; Nick Knight of Cody, Wyoming, champion bronc rider; and Dick Griffith of Scottsdale, Arizona, world's champion trick rider and Brahma bull rider.

Starlight, voted the toughest bucking bronco in the United States in a cowboy poll, is entered in the show. Other top broncs include Gas Tank, only horse to throw Fritz Truan in his champion season last year, and Can't Do It. Of the Brahmas entered, Double Trouble and Poison Ivy have never been ridden in five years of rodeo participation.

MODEL AIRPLANE MEET

NATIVE SONS AND OCCIDENTAL LEAD IN SOFTBALL PLAY

The two top teams in the Washington Township Softball league, after two weeks of play at the High school each evening Monday through Friday inclusive, are Native Sons of Centerville, a veteran team, and Occidental of Irvington, a new team in the league. According to the softball schedule the Native Sons will tangle with the Occidental Club Monday evening, June 16.

Scores and highlights of last week's games are as follows:

On Monday evening, the Occidental Club whitewashed the Decoto Boosters 21 to 0. In the second game, Westvaco shutout the W. O. W. by a score of 3 to 0. "Lefty" Miller was the winning pitcher, and pitched great ball.

K. of C. nosed out Central Chevrolet Tuesday evening by a score of 10 to 9, while the Native Sons defeated Kraftile by a 5 run margin, 12 to 7.

In the first game Wednesday evening Wedgewood defeated County Employees by a 5 run Margin, 9 to 4. Tony River's powerful home run in the second game was not enough for Silver Dollar, as they were defeated by Occidental 10 to 3.

—Two Best Games

The two best overtime games played in the league up to date were played Thursday evening. In the first game, Native Sons nosed out Westvaco by a score of 4 to 3 in an eight inning thriller. All runs scored in this game were unearned. "Lefty" Miller, losing pitcher, pitched a beautiful game, but despite errors in the clutch lost the game for Westvaco. Tony Ornellas was the winning pitcher.

In the second game, Central Chevrolet, the cellar team, who had been playing great ball after being slaughtered the week before, lost another tough game this week by a one run margin to the W. O. W. The final score in eight innings showed W. O. W. with 6 runs and Central Chevrolet with 5 runs.

USE OIL CLEANER

Following the success of the 100 per cent built-in oil cleaner which Pontiac introduced with its 1941 cars, arrangements have been made whereby owners of 1939 Pontiac sixes and 1940 sixes and eights can have this cleaner installed as a permanent feature of their cars, according to R. Attinger of Attinger and Underwood, Niles Pontiac headquarters.

Edward Enos for the winners hit a home run, Danny Maddix was the winning pitcher. It seems as though the two umpires in these games were in trouble most of the night with the players and fans on close decisions. Of course everyone knows that close games, close decisions, and plenty of cheering, makes the sport of softball what it is today.

On Friday evening in the first game, Wedgewood won an easy game from the Decoto Boosters by a score of 11 to 1. This game was called at the end of the fifth because of the time limit. In the second game, K. of C. downed Kraftile 5 to 4. John Vierra, winning pitcher, pitched great ball, and his teammate, Ed Azeveda hit a home run early in the melee with a man on base to cinch the game.

—Gameless Week

Softball fans are asked to take notice that there will be no softball league games played during the week June 9 to 13 inclusive. The reason for this layoff is on account of school activities to take place next week.

Two players of the Kraftile club, Joe Oliveria and Anthony Dutra of Decoto left Tuesday for the U. S. Army. The Kraftile team, winners of the league last year, is going to miss both of these players.

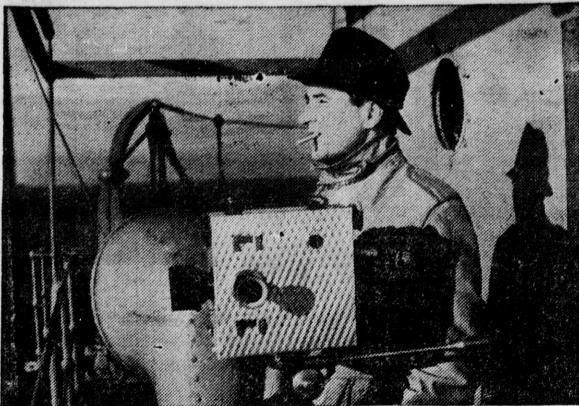

Teams scheduled to play Friday (tonight) are Silver Dollar and Kraftile in the first game, and K. of C. and Westvaco in the second game.

If softball fans haven't noticed, the postal telegraph time clock and new loud speaker horns have already been installed. Work is progressing on a new roof over the grandstand.

Filming a Convoy at Sea

DIRECTOR MAURICE LANCASTER of The March of Time is here seen behind his motion picture camera on the flying bridge of a British tanker at sea. Lancaster and cameraman Raymond Elton, both attached to March of Time's British production unit, photographed the thrilling convoy sequences in "Crisis in the Atlantic," the latest March of Time film, during a long and perilous voyage in convoy from Canada to England. These exclusive scenes show the operation of the convoy system and life aboard a British ship at sea today. Lancaster is now completing an assignment for The March of Time in one of Britain's dominions, and Elton is filming life under fire in England. "Crisis in the Atlantic" is the first motion picture story of the War's newest phase — the battle of the Atlantic.

This enthralling picture may be seen next Wednesday and Thursday along with Bob Hope and Bing Crosby's romantic "Road to Zanzibar" at the Niles Theatre in Niles.

TRACK AND FIELD RECORDS BROKEN AT ANNUAL MEET

CENTERVILLE — The fifth annual track and field meet held Saturday, May 24 at Washington Union High school under the auspices of the Southern Alameda County WPA Recreation Project, and the Lions Club of Centerville was termed a great success by Chester Phillips, director in charge of the event.

Decoto won the meet with 88 points. Centerville was second with 60½, Russell City third with 37½, and the rest of the scoring was: Livermore 34, Irvington 28½, Niles 25, Valle Vista 24½, Newark 7, Alvarado 3.

Acknowledgement is hereby made for the splendid cooperation shown by the Lions Club in helping to make this meet a successful event. The events were limited to grammar school boys and divided into four classes according to weight, height and age.

In class "A" two records were broken. In the broad jump John Andrade of Irvington leaped a distance of 17'1". He also broke the baseball throw record by heaving the pellet 304½ feet.

The time for class "B" relay race was also lowered this year by the Decoto aggregation of runners:

Julio Garcia, John Martinez, John Sanchez and Henry Caravallo — who were clocked at 24.5.

In class "C" Albert Caravallo lowered the 50-yard dash record, running it in 6.2 time. Young Caravallo scored many points for Decoto in the running of this meet. Harold Alameda of Centerville broke the existing broad jump record in this class by leaping 14'9". In the high jump Alex Carrillo of Russell City smashed the record by a jump of 4'7".

One record was broken in class "D", and that by Harold Rogers of Centerville who ran the 50-yard dash in 6.3, clipping .5 of a second off the old record.

Prizes were donated by the Lions Club of Centerville.

Mr. and Mrs. John Fernandes and daughter Joyce of Oakland, Mr. and Mrs. Peter Brayovich of San Jose, Miss Verna Santos and Miss Molly Santos of Oakland and Mr. and Mrs. Harvey of Mission spent Sunday at the home of their parents, Mr. and Mrs. Joe Santos and family.

Several of our soldier boys were home over the weekend to enjoy the Holy Ghost celebration here. They were Edwin Freitas of Camp Roberts, Matt Silva and Donald Dias, son of Frank Dias, local carpenter.

MAKES HONOR SOCIETY

Miss Julianne McDonald, eldest daughter of Mr. and Mrs. J. A. McDonald of Niles, who is making "A" grades in a stiff course at the University of California, has won a membership in Tower and Flame the U. C. Undergraduate Honor Society, according to word received here this week.

UNITED SERVICE GROUP TO RAISE TEN MILLIONS

Preparing for an intensive drive to attain a goal of \$101,000 as its quota for the United Service Organizations national campaign to raise funds for recreational facilities and to promote the morale of American men at arms throughout areas adjacent to newly constructed naval, army and overseas camps the following Alameda and Contra Costa counties executive committee to direct the campaign was announced today by Charles Heywood, campaign director:

A Hubbard Moffitt, Jr., chairman, E. M. Downer, Rev. George Petri, Walter Teasdale, John B. Knox, Chester Fisk, Don Leidig, Superior Judge A. F. Bray.

Comprising six national agencies in a common program of recreational and welfare activities, United Service Organizations plans to operate clubhouses provided by the government and leased to the organization at a nominal sum. These clubhouses or 'huts' will be established adjacent to Army and Navy training centers and new defense industrial areas unprepared for the sudden influx of thousands of workers. Altogether, USO expects to set up 339 service clubs to aid in the necessary social, religious and educational services.

The local drive will run concurrently with the national campaign beginning June 3, when USO organizations will mobilize in every community to raise \$10,765,000 by public subscription.

ROTARY APPOINTS BLACOW TO HEAD NILES U. S. O. DRIVE

At their last meeting the Niles Rotary club appointed Robert Blacow chairman of a committee to raise approximately \$400 in the Niles vicinity as its quota in the drive for ten million dollars being made nationally by the United Service Organization with which to lease recreational huts, built by the government for the entertainment of service men and defense workers.

Alameda and Contra Costa counties have been assigned a joint quota of about \$100,000 for this purpose.

Carl Carlsmith, past governor of the Hawaiian district was speaker of the day. Program Chairman Ed Enos provided Miss Carol Jean Huddleston of Livermore and Miss Joy Ann Duarte of Niles who gave dances for the entertainment of the members and guests.

FREE PICNIC TO BE HELD NEAR NILES ON JUNE 29

The annual big picnic of the employees of the Pacific States Steel corporation, local No. 591 will be held at Stonybrook Park up Niles Canyon on Sunday, June 29, according to Joe Franko.

The picnic this year will be free. No admission will be charged those who wish to enjoy the fights, tug-of-war, races for girls and boys, men and women with awards for the winners.

ST. JAMES CHURCH ASKS FOR FULL ATTENDANCE SUNDAY

CENTERVILLE — A special service will be held on Sunday, June 8 at 11 a.m. at St. James' Episcopal Church, Centerville to inaugurate the Forward-in-Service Campaign. Everyone who has any connection with St. James' Church is asked to be present at this service when members of the special committee appointed will receive the prayers of the Church as they begin their task. The preacher will be Reverend Arnold Nash, M.A., M.S.C.

LIONS CLUB ASKED TO RAISE \$400 FOR U.S.O. PLAN

CENTERVILLE — Residents of this area have been asked to raise approximately \$400 as their quota of the more than ten million dollars sought by the United Service Organization with which to provide entertainment facilities for soldiers in the 360 recreation centers the government is planning to build at its various cantonments.

The U. S. O. is comprised of Protestant, Catholic and Jewish organizations, the Y. M. C. A. and the Salvation Army. Howard White was designated chairman of the drive at last week's meeting of the Lions Club here. Don Leidig of the Hayward club explained the U. S. O. project to the Lions at their recent meeting.

Alvin Morse was elected president at the club's meeting held here Tuesday night, with the following officers: Manuel W. Lewis, first vice president; Joe Bauhofer, second vice president; Harold DeLeon, secretary-treasurer; Howard White, lion tamer; Dallas Paul, tail twister; Loren Marriott and Jack Rees, directors for two years.

The directors voted to send President Joe Adams and Secretary DeLeon to the state convention in Los Angeles June 18 to 21. The club voted \$10 toward the summer camp fund originated by the co-ordinating council.

A. J. Petsche reported that the Southern Pacific depot yard here would be cleaned up by the company. Reverend Arnold Nash, pastor of St. James Episcopal church here, who left England just before the war broke out in 1939, entertained the club with personal reminiscences.

Mr. and Mrs. Roscoe Whitesides of San Francisco Mr. and Mrs. Walter McGinley and daughters, Rosinor and Josephine of San Jose spent Sunday at the home of their sister and aunt, Miss Abbie Sunderer here.
